## Word Study Homework (Menu #1)

Directions: Choose 4-5 different activities to complete throughout the next two weeks. Mark off the box with a "X." Remember, before completing an activity, you should **SORT** your spelling words. It's also a good idea to practice writing and sorting your words. I'll be able to tell how much you're practicing by how well you do on your Word Study (Spelling) tests.

<p>Write all your words in ABC order.</p>	<p>Interview a friend or family member. Write your questions and their answers. Use at least five words. Box the words you used.</p>	<p>Visit <a href="http://www.spellingcity.com">www.spellingcity.com</a>. Enter your words and choose a game to play. (There is NOT an account set up due to numerous groups. You can enter your own words.)</p>
<p>Write each word three times. Use a colored pencil/marker/crayon to circle all the vowels.</p>	<p>Write your words. Then clap out the number of syllables you hear in each word. Write the number of syllables you heard beside the word.</p>	<p>Choose 8 spelling words. Write a quality sentence for each word. Box the words you use.</p>
<p>Use a flashlight in a darkened room to "write" the words on the wall.</p>	<p>Use your finger to write each word on a friend or family member's back. See if they can guess each word as you write it.</p>	<p>Type your words in a word document and print them out.</p>
